Dear Supervisor Antonovich,

Good afternoon! My name is Joe Barrett and I am the director of the Sunland-Tujunga Alliance, a 501(c)4 non profit organization that deals with Land Use issues in our community and surrounding area.

I have had the pleasure of meeting you before during the fight to stop the truck driving school at Lopez Canyon. We all appreciated your leadership and support in that successful effort!

We are writing to you today in regards to an apartment building that has been proposed by LA Family Housing (LAFH). This building would be built at 7650 Day Street in Tujunga and would serve as much needed permanent housing for the homeless, many from our immediate area. As a long time residents of the community, we are in strong support of this project.

LAFH is in need of additional funds to complete this project and we have been informed that LA County may have access to funds through the Mental Health Services Act (MHSA).

We are writing to urge that you release these funds to LAFH so that they may proceed with this much needed project. We look forward to a facility being built for our homeless where they will be required to pay rent and at the same time have access to needed social services and training that will bring stability as they rebuild their lives.

Thanking you in advance,

Joe Barrett
